A case-based, balanced, and applied approach to educational psychology Using Educational Psychology in Teaching, 11th Edition, helps readers learn to apply educational psychology theories and research to their own classroom practice. This book teaches using an integrated-case approach - every chapter begins with a true-life classroom case study. The case is then woven throughout the chapter, highlighting practical ways the chapter content can be applied in real classrooms. Additional examples expand on the chapter content and provide concrete teaching strategies and suggestions for classroom practice. Updated to reflect the most current research and trends in K-12 classrooms, the 11th Edition introduces readers to the field of educational psychology in a comprehensive and approachable manner. Personalize learning with MyLab Education By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. MyLab Education helps teacher candidates bridge the gap between theory and practice - better preparing them for success in their future classrooms. 0133549488 / 9780133549485 Using Educational Psychology in Teaching Plus MyLab Education with Pearson eText -- Access Card Package, 11e...
